

StrongHolder[®] molded fiber cup carriers & trays

Serve customers with confidence with sturdy *StrongHolder*[®] molded fiber cup carriers and trays.

Huhtamaki

Molded fiber cup carriers & trays

- Strength in design stabilizes eight to 44-ounce cups.
- One, two or four cup holders and carrying options.
- Tip and spill resistant and ready to use.
- Easily recognized by T-Slot® configuration.

Sustainable Features

- Made in USA.
- Made from 100% recycled material.
- 4-cup carriers are recyclable if your community accepts molded fiber. Facilities are limited. Check locally.
- Compostable.
